

“Progetto Verde,,

everything is possible  
out of the ordinary

*San Simone*®

**Verde**  
**prosecco**  
VINO FRIZZANTE

#### KEY CHARACTERISTICS

Innovative closure, safe,  
elegant, modern and attractive.  
You can open with your hands,  
without corkscrew.  
You can hermetic re-close  
the bottle so the wine's aromas  
and freshness are preserved.  
Air tightness, guaranteeing  
sparkling integrity.  
Sturdiness and lightness.  
Eco-compatibility, closures  
are systematically collected  
and recycled.  
Ideal closure for consumption  
by the glass, both in the restaurant  
and at home.
